

# Wedding Collections/Plans 2010

## **Basic Plan: \$649.00**

Our most cost effective pre- paid plan is a **two-hour coverage** that includes two hours of on site photography, and you get to keep the edited high-resolution images, delivered on a disk for posting to your online library or for making high quality color or black and white prints (for personal use) or for designing your own wedding album. *(Some travel restrictions apply to Basic Plan)*

Hire the experienced professional photographer to capture the most important part of your day and then use friends and family photographs for documenting the rest of your event. Combine all images to create your own custom wedding album. Additional hours are available upon request.

*Additional Hours Pre-paid - \$300 – on site add on \$350. Includes edited high-resolution images.*

## **Mid Range Plan: \$1,199**

Our mid range plan is a **Four-hour coverage** that includes four hours of on site photography, and you get to keep the edited, color corrected, high-resolution images delivered on a disk for posting to your online library or for making high quality color or black and white prints (for personal use) or for designing your album.

Plan accordingly and hire the experienced professional photographer to capture the most important part of your day without watching the clock. You choose the four-hour window of your wedding day that works best for you. Then use friends and family's photographs for documenting the rest of your day. Combine them to make your own custom wedding album. Additional hours are available upon request.

## **Full Coverage Wedding Day Collections Featuring "Your Day Only" Coverage**

### **Full Day Image Collection: \$2399.00**

Our full day coverage is a full 8-hour day that includes the work of a professional photographer. Plus, you get a disk of edited, color corrected images that are full resolution and ready to print or upload to your favorite image-sharing site. (for personal use). This Collection is photographed like any of our Album Coverage Collections just without the wedding album. **Your Day Only** means, on all of our full day collections we book only **one wedding per day** so your event is our only event that day. No previous scheduling conflicts just professional photography. We shoot 3,000 to 4,000 images during the day. The edited images can be approximately 1,000 or more. You get to keep the full resolution images to print and post as you see fit for personal use.

**Standard Proof Book:** Get a full color, hard cover bound proof book with up to 1000 images total at 12 images per page. The large 13 x 11 standard proof book is a great tool for finding images on your disk and referencing your entire wedding library of images. **\$165.00** *(With purchase of full day Image Collection.)*

**Pro Proof Book:** Similar to our Standard Proof Book except we use a much larger **six images per page** along with a custom **"wrapped"** color cover. Pro upgrade price **\$275.00** This makes not only a great proof book, but it also a fantastic keepsake book that will last for years.

## **Album Collections**

Terry VanderHeiden creates his popular wedding albums by hand and they are individually designed in Adobe Photoshop. You select the images for your album and give us the list and we will design your custom album for you.

Using floating images and full color image backgrounds photographed at your event make these truly a custom product. We can also use of designer background pages to create the one of kind look. These original, image bound books are created to show the story of your wedding day. Each image is painstakingly retouched and enhanced to make sure everyone looks his or her best. Group photographs are enhanced with Photoshop by changing heads from several images to get the very best group shot, every time. These albums can take up to 60 hours to design. Each album page is approved via electronic transfer or by visiting the studio before album prints are printed, hand bound and protective spayed into album ready for a lifetime of use.

All Album Collections come with full day exclusive coverage “your day only” coverage. Eight-hour coverage at your wedding and reception, full color proof book and disk of original high-resolution images for your personal printing is included with every Album Collection.

### All orders subject to California State Sales Tax

We know brides and grooms have a lot of choices when planning for their weddings. It can be an overwhelming and expensive process. Our new pricing schedule can provide some relief from the stress of planning and paying for your photographer at least. With several options to choose from, these collections should have something for everyone.

Your photographer for the day will be the photographer that you meet with at our studio. We won't show you work of some high-end photographer and then send less experienced photographer's helper to shoot your wedding. You get what you order. We use professional photography equipment as well as professional back backup equipment along with being fully insured. So your decision to use Image Light Photography is a safe one.

Your photographer at Image Light Photography is nationally published photographer, **Terry VanderHeiden**. His work has appeared in magazines, newspapers and on the web since 1980. Terry is the publisher of the successful Photography and Photoshop learning center blog at [www.terrywords.com](http://www.terrywords.com)
